POLICY FOR DRIVERS UNDER THE AGE OF 16

World Racing Group is pleased to announce that drivers under the age of 16 will now be able to participate in DIRTCAR RACING sanctioned events in the Pro Stock, Sportsman and Street Stock classes. World Racing Group has worked diligently to make it possible for tomorrow's stars to race today in DIRTCAR RACING's entry level classes.

In response to a growing number of young drivers seeking to participate in dirt track auto racing events, World Racing Group has created this program whereby 14 or 15 year old drivers who meet certain criteria will be permitted to obtain a DIRTCAR RACING Youth License, thereby permitting them to participate in DIRTCAR RACING sanctioned Sportsman, Pro Stock and Street Stock events on tracks less than ½ mile long. The criteria include:

- (1) completing the 2008 World Racing Group Youth Membership & Competition License Application Form
- (2) approval from the World Racing Group Competition Eligibility Panel (comprised of a cross section of members from the racing community), and
- (3) Purchase of Supplemental participant Accident Program Insurance Policy (minimum \$250,000 excess medical) with World Racing Group approved insurance carrier (Canadian residents competing only in Canada are exempt from this last requirement due to the Canadian Universal Health Care Program).

The applicant will be required to demonstrate proof of auto racing experience as deemed acceptable to the Competition Eligibility Panel which will review the application based on a host of criteria including:

- (1) applicant's age
- (2) applicant's racing resume
- (3) applicant's maturity
- (4) sanctioned class
- (5) racing facility(ies)
- (6) length of track

Additionally, any drivers (U.S. or otherwise) competing in the United States and U.S. residents competing in Canada will be required to purchase Supplemental Participant Accident Insurance coverage from a DIRT approved insurance carrier and provide proof of such coverage in the amount of \$250,000. (Application contained herein)

World Racing Group is excited about the opportunity to assist with the development of today's youth both on and off the race track while providing a safe environment for drivers, crew members, officials and spectators alike. Should you have any questions regarding eligibility or the status of your youth application, please call Cory Reed at the DIRT NE office at (315)-834-6606.

COMPETITION ELIGIBILITY PANEL PROCESS & REGULATIONS

1. World Racing Group has established a Competition Eligibility Panel ("Panel") to determine the eligibility of a race car driver under the age of sixteen ("Applicant") who seeks to compete in a World Racing Group or World Racing Group affiliate (World of Outlaws, UMP, DIRT NE, etc.) sanctioned event(s).
2. Only individuals 14 or 15 years of age with the prior written consent of both parents / legal guardians have the right to motion the Panel for permission to compete in a World Racing Group or World Racing Group affiliate event(s).
3. The motion must be in writing and shall be sent to World Racing Group c/o its Series Director, Cory Reed, 1 Speedway Drive, P.O. Box 240, Weedsport, New York 13166 no less than thirty (30) days prior to the event(s) that the Applicant seeks to compete. The motion shall be sent by certified mail or another form of conformed delivery (i.e., Federal Express). The Applicant must fully and accurately complete the 2008 World Racing Group Youth Membership & Competition License Application Form.
4. There can only be a hearing of the motion before the Competition Eligibility Panel if its Chairman ("Chairman"), in his sole discretion, first determines that the 2008 World Racing Group Youth Membership & Competition License Application Form is complete in full. The Chairman shall have the right to return any incomplete Application Form to Applicant for re-submission.
5. The Chairman is the administrative member, but has no vote, except to break ties. The Chairman shall conduct the meeting, organize deliberations, and inform the interested parties of the decision.
6. The Chairman shall determine in his unfettered discretion when any member of the competition eligibility panel must recuse himself/herself from a hearing for reasons of conflict.
7. As Panel vacancies arise, World Racing Group shall, from time to time, name replacements in its sole discretion.
8. Competition Eligibility Panel participation in a hearing by any three (3) or more panel members shall constitute a valid quorum to act. Panel members may participate by telephone, teleconference, video-conference, computer conference, in person, or any other forum chosen by the Chairman.
9. A majority of the Panel members participating and voting must concur whether to permit the Applicant to compete in a specified World Racing Group or World Racing Group affiliate sanctioned event(s) by a standard of preponderance of the evidence with the burden resting on the Applicant.
10. The actual procedure for the hearing shall be determined by the Chairman, but shall roughly follow the following format:
 - a. The completed 2008 World Racing Group Youth Membership & Competition License Application Form shall be put into the record by the Chairman.
 - b. At any time during the hearing, the Competition Eligibility Panel may seek additional information from the Applicant at their discretion. Applicant and his/her parents/legal guardians shall be available by phone during the hearing should the Competition Eligibility Panel seek additional information.
 - c. The Competition Eligibility Panel will deliberate in private and make any determination, decision, or recommendation by a majority vote of those members participating and actually voting ("Actually voting means not abstaining or not having been recused). Criteria that will be evaluated by the Panel include, but are not limited to, age of Applicant, racing resume, track length, car class, # of laps, and references.
 - d. Lastly, all interested parties shall be reasonably notified of the Competition Eligibility Panel's decision.
11. By filing the motion, the Applicant understands that the decision of the Competition Eligibility Panel is final and legally binding with no right of appeal. Should an Applicant's Motion be denied, Applicant may re-motion the Panel no earlier than three (3) months following the Panel's prior decision on the Applicant. Should Applicant's motion be granted, Applicant will be required to purchase a Supplemental Participant Accident Excess Medical Insurance Policy (minimum \$250,000) for all events approved by the Competition Eligibility Panel (Canadian residents racing in Canada only excluded) and provide proof of such insurance to World Racing Group.
