Rains finally bite Brockville program

BROCKVILLE-After dodging the rain drops for the first six weeks of the racing season, Brockville Ontario Speedway has cancelled the June 26th racing program. Rain through the night that continued into the afternoon prompted pulling the plug on the scheduled event.

The go karters did manage to get their racing in on Wednesday night, also dodging the raindrops that fell a couple of times during the evening. Dylan Tinkler ended the dominance of Alex Blasko picking up the win in Junior Restricted class. Other winners were Oliver Gough in Stock, Kasey Neville in Jr. Sportsman 2, Jr. Sportsman 1 honours went to Jacob Clancy, while Braedon Nicholl-Carne and Ryan McIntosh made it two for two in the Rookie and Box Stocks respectively. The Karts return to action on Wednesday night at 7pm.

Brockville Ontario Speedway's big track will be used again on Saturday night, July 3rd at 7pm with a full race program presented by Superior Sound and Wireless plus the Vintage cars and fireworks.
